Description:

From Acclaimed sf writer Czerneda turns to fantasy in her latest well-imagined outing. Crafting the mystical world of Marrowdell, she populates the valley with a variety of magical creatures, including house toads, dragons, and a beautiful but restless heroine who holds the key to Marrowdell's security. Although she longs to travel beyond the well-trod byways of her village, Jenn Nalynn, the miller's daughter, is moored to Marrowdell by the curse of her birth. Turn-born, she unwittingly provides the balance between Marrowdell and the darkly feral Verge. Precariously pinned together, these two worlds can only coexist if Jenn, who is defiantly beginning to flex her magical muscles, remains firmly rooted in place. Genre fans will appreciate all the vividly detailed attention to world building embedded in this entertaining fable. --Margaret Flanagan --This text refers to the edition.

Review "An enchanting and gentle fable, **rich with detail and characters you will love.**" — Charles de Lint

"A **warm and intricate fantasy opus** with large themes woven into a charming story." — Charlaine Harris

"Science fiction author Czerneda will charm fantasy readers with **multidimensional characters, a vivid setting**, and powerful themes of hope and renewal." —*Publishers Weekly*

"Known for her powerful and insightful sf novels, Czerneda brings the same exacting sensibility to her brilliant fantasy debut. Her characters are both charming and believable, and Jenn, her friend Wisp, and the soldier Bannan stand out as memorable and utterly real. While this can be read as a stand-alone, there are plenty of possibilities for more stories in the world outside Marrowdell. **Fans of L.E. Modesitt Jr. and Charles de Lint will love this fantastic and magical fable.**" —*Library Journal*

"I was captivated by Julie Czerneda's *A Turn of Light*. Yep, she used her writerly powers and sucked me right in. Many fantasy novels out there are *about* magic. Few, like Julie's, embody it." —Kristen Britain, *New York Times* bestselling author of *Green Rider*

"*A Turn of Light* is a **gorgeous creation**. Julie Czerneda's world and characters are richly layered and wonderful—full of mystery, hope and, most of all, heart. Come spend some time in Marrowdell. It's worth the journey. And be polite to the toads." —Anne Bishop

"**Luminous and beguiling**. With Marrowdell and its enchanting inhabitants, Julie Czerneda has conjured a world that readers can sink into and disappear. I lost myself to this tale that is, by turns, **lovely, lyrical, and thrilling**. This book is a feast for the mind and the heart." —Lesley Livingston

"Infused with idyllic enchantment, Julie Czerneda weaves a heart-warming bucolic tale, packed with magic both wild and strange—a **top-notch fantasy read!**" —Janny Wurts
