Description:

If you're a dinosaur, all of your friends are dead. If you're a pirate, all of your friends have scurvy. If you're a tree, all of your friends are end tables. Each page of this laugh-out-loud illustrated humor book showcases the downside of being everything from a clown to a cassette tape to a zombie. Cute and dark all at once, this hilarious children's book for adults teaches valuable lessons about life while exploring each cartoon character's unique grievance and wide-eyed predicament. From the sock whose only friends have gone missing to the houseplant whose friends are being slowly killed by irresponsible plant owners (like you), *All My Friends Are Dead* presents a delightful primer for laughing at the inevitable.
