The Victoria's Secret Angels have become an iconic representation of female beauty and sensuality that is unparalleled in popular culture. Russell James has spent 15 years being the primary photographer for the lovely and fascinating women who have been featured by Victoria's Secret over the years. The list certainly is an impressive one, including such headline names as Gisele Bundchen, Adriana Lima, and Alessandra Ambrosio, to name a few. This ample volume showcases these heavenly representations of womanhood in all their splendor. Subtly provocative in a tastefully seductive manner, these portraits capture each model's individual blend of physical attractiveness and beguiling personality. The array of images reflects playfulness and adventure, and the innovative compositions and technically perfect photography add to the overall captivating effect.

Readers will truly feel as if they've stepped into their own little piece of paradise.
