**Description:**

**Review** "It would be hard to imagine anyone but Zig Ziglar reading his latest gem of a book. At 79 years old, he has a full supply of inspiration and ideals that anyone can achieve. With the musical cadences of the Texas preacher he is, his voice and everything behind it are irresistible. He makes you feel good— not complacent or pampered—but good about your possibilities. "Better than good" means taking your life beyond where it is by cultivating passion, especially about serving others. His

aphorisms, stories, and historical clips are priceless, each one having exactly the right punch and momentum to illuminate his points and excite his listeners."
