Description:

Successfully make the transition to professional nursing practice.

Two books in one, for the price of one—all the issues and trends coverage you need, *plus* leadership and management content.

The completely revised and updated 6th Edition of this popular resource prepares you to meet the challenges you'll face as a professional in today's changing health care environment. You'll explore your future responsibilities as a leader and a manager and the workplace issues and trends that you'll encounter in practice.

A wealth of resources online at *DavisPlus* provides tools to hone your skills and prepare for the future, including interactive case studies, review questions, bonus chapters, a resume template, sample letters and emails, and much more.
