Description:

Review "Loretta Young defied the years better than any actress I can think of." -- *Charles Champlin, Los Angeles Times, Aug. 16, 2000*

From the Publisher The life story and faith journey of one of the last of the legends of Hollywood, Forever Young is an unforgettable, moving, funny, poignant account of a film and television star many admired for her grace, poise and beauty. Loretta Young's faith and determination come to life

in this carefully researched biography of her life. For 30 years, Miss Young had refused overtures from biographers. In 1998, she met New York Times bestselling author Joan Wester Anderson and commented to her daughter-in-law Linda Lewis, "That's the woman I want to write the story of my life." When Linda queried Miss Young about the choice, her comment was, "Who better than a writer of angels and miracles to tell the story of my life?"
