Description:

From Publishers Weekly First published in 1993, this solid first in a mystery series from Lehtolainen, billed as "Finland's bestselling female crime author," introduces 23-year-old Sgt. Maria Kallio, of Helsinki's Violent Crime Unit. Kallio's initial low-level cases and paper-pushing lead her to begin law school, but boredom with her studies prompts her to return to the force for a six-month stint as a substitute officer. Her provisional status and sexist male colleagues complicate her first homicide inquiry, into the death of singer Tommi Peltonen, the leader of a quartet, who appears to have drowned in the sea off his parents' summer house, though a blow to the head could have been a contributing factor. Peltonen was organizing a summer musical event for a double quartet, whose surviving members become the obvious suspects. The author does a good job integrating her dogged

detective's inner life with the murder inquiry. (Dec. 2012)

Review "Leena Lehtolainen has a winner with her debut thriller (My First Murder, Book 1 in Maria Kallio series). Detective Maria Kallio deserves a place alongside literature's best tough but vulnerable detectives." – Mystery Scene Magazine

"It has taken 20 years for the highly-regarded Leena Lehtolainen's first Maria Kallio novel to be translated from Finnish, so plaudits to Amazon Crossing (an American imprint) for allowing English-language readers to experience her work, and to Owen Witesman for a smooth translation" – Eurocrime.Co.Uk
