Description:

About the Author Carl "Tuchy" Palmieri was born in 1942 in an old mansion belonging to the former mill owner of the factory where his father worked. His family was one of six related families that occupied the mansion. The second son of Italian immigrants, he grew up in Westport, Connecticut. After receiving a bachelor's degree in business administration from the University of Bridgeport he began his career marketing and installing accounting computers for the Burroughs Corporation. Twenty-one years later he started his own computer business in 1987. Today Carl lives with his wife Susan in Fairfield, Connecticut. He has three children, two stepchildren, and 12 grandchildren. His nickname, Tuchy, comes from having been one of three Carls in his family. There was a "Big Carl," a "Carl the Twin," and "Carluch," which meant "Little Carl." "Carluch" evolved into

"Carlatuch," "Tuch," and finally, "Tuchy."
