**Description:**

**Review** Naya Adams enters her first acting class, unaware of what was waiting on the other side of the door: her Twin Flame. Rarer and more intense than soul mates, Twin Flames span centuries looking for their other half. It's in an olive-skinned and terribly scarred boy named Etash, that Naya will discover what love is. But what will her possessive boyfriend think of her new flame?

*"It usually takes me weeks to read a book. I'll read a few pages here and a few there. This one truly "pulled" me in. I couldn't put it down, I finished it in two days! I thought it was a great story and very well written. I felt immediately connected to the characters and couldn't wait to find out more about them." Kristan Sola*

*"I loved this book! "Pulled" kept me entertained from the first page to the last...including the Epilogue! This book was different than any other book I have ever read and I couldn't wait to see how things were going to turn out. It truly was a great read and I can't wait to read her next book!"*  
Sarah Morris

*"If you love books about soul mates and love overcoming all obstacles then I highly recommend reading Pulled. The imagery is fantastic, the characters so real you begin rooting for them from page 1. I downloaded Danielle's book last night and finished it in less than 24 hours, which is really saying something for a busy mom." Amy Miles*

**About the Author** *Danielle Bannister is a work-at-home mother of two small children. She has her BA in Theatre from the University of Southern Maine and her Masters in Literary Education from the University of Orono. She's a major drama geek and lover of Swedish Fish.*
