Description:

From Publishers Weekly Actress Eden Riley discovers her true relationship to the "uncle" who raised her and embarks on a steamy affair with an archeologist after she returns home to film her deceased mother's life story. "Although one significant secret in this many-layered novel will fail to surprise readers, the brisk, atmospherically evocative narrative is absorbing reading," said PW. Copyright 1991 Reed Business Information, Inc.

Review "The brisk, atmospherically evocative narrative is absorbing [listening]." ---Publishers Weekly
