Description:

Review

Praise for Seven Days

“Sleekly done crime fiction layered with the cultural complexities of the new South Africa.” —Joanne Wilkinson, *Booklist*

“Superior prose and characterization — Meyer balances the personal and professional adroitly, with a solution reminiscent of Peter Lovesey at his twistiest.” —*Publishers Weekly*

□A perfect example of why [Meyer] is, in my opinion, one of the very best crime fiction authors in the world today... *Seven Days* is a marvelous crime novel which must be a strong contender for best crime novel of 2012." □Maxine Clark, *Eurocrime*

□Deon Meyer continues his string of superb, tightly constructed timeline thrillers. Coming on the heels of the breath-holding *Thirteen Hours*, *Seven Days* takes us into the heart of a major police hunt for a killer targeting policemen as he demands the investigation of a seemingly unsolvable cold case." □Margaret Cannon, *Globe & Mail*

Praise for Deon Meyer

□Deon Meyer is one of the unsung masters." □Michael Connelly

□Meyer has a fine eye for people and places... Meyer is a serious writer who richly deserves the international reputation he has built." □*The Washington Post*

□If you haven't read Deon Meyer yet, you're missing out." □*Mystery Fanfare*

□If you want a glimpse of the soul of the new South Africa in all its glory, and with all the gory details of its problems and corruption, Meyer is your man." □*The Guardian* (UK)

□There have been other South African crime novelists, but none are as deft at place as Deon Meyer." □*Globe and Mail* (CA)

About the Author Deon Meyer is an internationally acclaimed, prize-winning author of seven crime novels, including *Blood Safari*, *Thirteen Hours* and *Trackers*. His books have been translated into twenty languages. He lives on the western coast of South Africa.
