### **Description:**

**From** Grammer tells the story of his life, a life filled with tragedy, heartbreak and triumph: the murder of his father and sister, addiction to drugs and alcohol and his Emmy Award-winning sitcom. The book is laced with behind-the-scenes tidbits from his hit shows. Grammer reads his story with his characteristic precise pronunciation and careful diction. His pacing is good as his voice skillfully conveys the emotion of each episode. The abridgment is smooth, but Grammer's rehab story seems to get short shrift. P.B.J.
