Description:

When Suze Orman was 13 she watched her father dive into the flames of his burning take-out chicken shack in order to rescue his cash register. In that moment Orman learned that money was more important than life itself. And so it became her quest to be rich. But years later, when Orman became a wealthy broker with a huge investment firm, she was profoundly unhappy. What went wrong? She had not yet achieved financial freedom. In her nine-step program, Orman covers the ingredients to financial success--confronting our beliefs and fears, learning the nuts and bolts (and insiders secrets!) of savvy management, and finding the spiritual trust that leads to abundance. --

This text refers to the edition.

From Library Journal Orman is the head of her own financial-planning firm, a certified retirement specialist, and a best-selling author (*You've Earned It, Don't Lose It*, LJ 1/95). In her latest work, she analyzes the psychological and spiritual factors involved in how we perceive money. Her definition of financial freedom is "when you have power over your fears and anxieties instead of the other way around." Through case studies, Orman illustrates the psychological importance of money and its effect on our lives. She offers practical guidelines for investing, preparing a budget, purchasing a home, getting out of debt, and writing a will. A helpful financial worksheet is included. Orman's insightful guide is highly recommended to public libraries. ?Lucy T. Heckman, St. John's Univ. Lib., Jamaica, N.Y.
