Description:

This beautiful, sacred hard cover book has been published in full color throughout. It contains 16 color graphics of the Masters of Wisdom, mainly those representing the Guardians of the Sacred Flames. The book is printed on high quality glossy paper with a gold satin ribbon to mark your place. The exterior is gilded in gold. The book contains seven main chapters, one chapter for each one of the seven main sacred flames. It ends with a section offering invocations to each one of the rays. Truly this is the book humanity has been waiting for to manifest a major quantum leap in people's evolution. The concept of this book was first conceived in the Light Realm by the Masters of Wisdom over 50 years ago. It contains Pearls of Wisdom and Knowledge that will assist those seeking to attain Christ consciousness and Ascension. At the time it was not known who would write and publish it, and we inspired its content to more than one incarnated soul on the planet. We wish to express our deepest gratitude to

Aurelia for bringing forth, with our assistance, these Pearls from the depth of her heart and soul for the benefit of enlightenment of humanity. Channeled from Master Saint Germain, Lord Lanto and Lord Sananda. Blessed be those who find this material and diligently apply with constancy and determination, in their own lives, the keys for the enlightenment contained in this material. Herein is contained all the knowledge needed for every soul evolving on this planet to attain Ascension. Channeled from Sanat Kumara
