Description:

Tales about a lifetime of living near the edge are related on these pages, and are presented with plainspoken words that don't need underlining. From being shot down in Laos to meeting a prehistoric family, it's all here in untainted color. Forrest admits to making his share of mistakes but whispers that, even at age 83, none have weakened his ardor for the chase. 278 pages 136 photos 76 drawings 1 treasure map
