Description:

For the past seven years, we at ToweroftheHand.com have prided ourselves on being a premiere source of *A Song of Ice and Fire* analysis, information, and speculation. There has been nearly a metric ton of essays, forum posts, and encyclopedia entries logged at the site to date, all designed to give the hardest of the core fan the most rewarding experience possible while reading George R.R. Martin's seminal novels.

And now we're taking all those years of mastery and applying them to an ebook.

Tower of the Hand: A Flight of Sorrows takes five of the site's most prolific authors - including its two founders - and draws out their best, most in-depth work yet. Unlike other *Ice and Fire* compendiums, the focus of these essays is on the narrative, character, and thematic elements of the story itself, as opposed to the literary aspects surrounding the books.

Even better, the TOTH editors are joined by some of their good friends, who just so happen to be leading voices in the *Game of Thrones* community: A Podcast of Ice and Fire co-hosts Amin Javadi and Mimi Hoshut, WinterIsComing.net founder Phil Bicking, and *A Feast of Ice and Fire* co-author Chelsea Monroe-Cassel, along with noted fantasy editor and author Douglas Cohen.

Altogether, the book's eight authors (and two special guests) cover a wide gamut of subjects and perspectives, from the most obvious to the most subtle, challenging readers to look at the novels they love so much in entirely new - and more enriching - ways.
