Description:

Juan Cabrillo and the crew of the *Oregon* sail into a perfect storm of danger to try to stop a new world war, in a thrilling suspense novel from the #1 *New York Times*-bestselling grand master of adventure.

Hired to search for a collection of paintings worth half a billion dollars, Juan Cabrillo and the crew of the *Oregon* soon find themselves in much deeper waters. The vicious leader of a Filipino insurgency is not only using them to finance his attacks, he has stumbled upon one of the most lethal secrets of

World War II: a Japanese-developed drug, designed, but never used, to turn soldiers into super-warriors. To stop him, the *Oregon* must not only take on the rebel commander, but a South African mercenary intent on getting his own hands on the drug, a massive swarm of torpedo drones targeting the U.S. Navy, an approaching megastorm--and, just possibly, a war that could envelop the entire Asian continent.

"Cussler and Morrison take readers to the edge, at a pace so fast, you may find yourself needing oxygen." --*Suspense Magazine*
