**Description:**

*For courses in Professional Communication and Workplace Writing.*

**Practical tools for communicating at work**

After teaching a course to college students pursuing trade careers, George Searles realized his students needed a book focused on practical applications rather than theory—and that explored

workplace communication in a user-friendly tone. ***Workplace Communications: The Basics*** takes a down-to-earth approach to writing and communicating on the job, teaching the essentials in an accessible style appropriate for any student or course. The clear, concise nature of the book meets the needs of not only its originally intended audience, but the needs of students taking technical communication at a wide range of institutions for any major as well. The **Seventh Edition** retains and enhances the text's pedagogical aids, rich examples, and practical exercises, preparing students to communicate successfully in any workplace environment.

**Also available with MyWritingLab™**

MyWritingLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. In addition to the full eText, activities directly from the text are available within MyWritingLab. These include the written assignments, readings from the text, review exercises and more.

Note: You are purchasing a standalone product; MyWritingLab does not come packaged with this content. Students, if interested in purchasing this title with MyWritingLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.
