Description:

About the Author Charles Wyke-Smith has been creating web sites since 1994 and currently serves as Director of User Experience for Charleston-based BenefitFocus. In recent years, Charles was VP of Web Development for eStar.com, a celebrity information site, and has provided web design and consulting services to companies including Wells Fargo, ESPN Videogames, and The University of San Francisco. His work today focuses on site development, with an emphasis on user experience, information architecture, and interface design. Charles has taught classes in multimedia and

interface design and speaks at many industry conferences.
