Description:

Review "S.M. Reine's 'The 19 Dragons' is something else... This novella is not simply read. It's experienced." -L. David Hesler, author of *The Godblood Saga*

About the Author Hi everyone! My name is Sara, and I write fantasy novels as SM Reine. I collect swords, cat hair, and typewriters (which I do use for writing!). It's a good day when those three things have nothing to do with each other.

If you would like to know the instant my next book is available, you should enlist in my Army of Evil! We have a WICKED cool secret handshake, but you'll have to sign up to learn it. ;) Check it out --

A few fun facts about me:

- The #1 song on the day I was born was "Never Gonna Give You Up" by Rick Astley, which means

my life is a Rickroll.

- I have three black cats and one black dog, but it's not an obsession, I swear.

- I am a full time writer these days, which means I will never wear a pair of heels to the office again.

Viva la sweatpants!
